TRACKS FIELD 2022 Annual Report

MARC HIELD 104

"Thank you" does not begin to express our gratitude for making the MRC Track & Field Series what it is today. Beginning in 2009 as a very small operation with a few stop watches, we could not imagine the success we are seeing today - it is all owed to you. As a 100% volunteer board, our success is your success. Your generosity and participation makes our events what they are today; and we thank you for your support by participating and donating. Manchester, and the entire state, has a long and proud running and track & field tradition, and we are proud to contribute to this ongoing legacy.

On behalf of the Board of Directors, I continue to say thank you for showing up to our meets in the heat, rain, wind, whatever the conditions, we have "sold out" each meet over the last two years. We are most proud to continue to offer these events at no cost for all persons under the age of 18. We hope that it is a catalyst for success in athletics, academics, and in each person's career. For those over 18, we hope this provides a continued competitive outlet and/or a great training for your upcoming college and professional running seasons.

While chaotic at times with the mass numbers of youth taking part in the 100, 200 and long jumps, we hope that this series is providing you a wonderful Thursday night activity and teaching youth new skills in sport and life. We thank you for bringing your competitive, yet friendly attitudes to our meets and providing some of the greatest marks in CT history on the track, while teaching others improved techniques or introducing our youngest athletes to the sport.

In order to continue these events, we ask for your continued support through monetary donations, which help us pay for timing, facilities, insurance, equipment, and numerous other expenses. Our finances are available in the coming pages for those curious as to where your donations go. We are especially grateful to our long-time major corporate and foundation partners including Mystic Logistics and the Hartford Foundation for Public Giving.

We look forward to continued growth and hope to open up new opportunities for you and your family on and off the track.

Don't forget to follow us on social media and keep up to date on our program through the website www.mrctrack.com

We will see you this summer!

Patrick J Byrne

Patrick J. Byrne Board Chair, President
