

MRC
TRACK & FIELD

2025 Annual Report

Runners (and throwers, and jumpers), Set!

A message from MRC Track & Field Series Board Chair

On behalf of the Board of Directors of the MRC Track & Field Series, I thank you for your continued support, encouragement, and enthusiasm for the activities and events of our organization. Your loyalty to our programs, your kindness toward our staff, and your generous donations keep our volunteer board motivated throughout the year.

As we enter our 18th year, we remain honored to provide unique track & field opportunities to athletes and families in both Manchester and Middletown, and we may even grow to a third location this year! We are proud to introduce the sport to our youngest competitors while continuing to be inspired by the performances of participants of all ages and abilities. Thank you for helping us prioritize safety, sportsmanship, and fun in everything we do.

This past year, our programs continued to thrive. Our summer track & field meets and youth clinic remained in high demand, and our indoor meet at Wesleyan University once again brought together athletes from across the region. With the support of corporate partners, foundation funding, and individual donors, we were proud to serve more than 1,500 unduplicated individuals in 2025, and we look forward to building on that success throughout 2026.

In order to continue providing high-quality and accessible events, we rely on the generosity of our community. Your contributions help us cover essential expenses including timing, facilities, insurance, equipment, and more. Detailed financial information is included in the pages that follow for those interested in learning more about how your support makes a difference. We remain deeply grateful to our long-time corporate and foundation partners including Marathon Sports, Mystic Logistics, Empire Industries, Select Physical Therapy, and the Greater Hartford Gives Foundation (formerly Hartford Foundation for Public Giving), and we are pleased to continue valued relationships including USATF Foundation and the Flagpole Hill Fund, among many others.

Please remember to follow us on social media and stay up to date with our programs by visiting www.mrctrack.com. Thank you for being an important part of our community and for helping us continue to grow the sport we all love.

We will see you this summer!

Patrick J. Byrne

Patrick J. Byrne
Board Chair, President

Board of Directors

Through donations of time, talent and financial resources, the MRC Track & Field Series, Inc. Board of Directors is responsible for governing the organization throughout the year.

Patrick Byrne, Senior Director of Foundation Relations - The UConn Foundation
